

# Aluko Ayomide

Fullstack Developer

Lagos, Nigeria  
(+234)9067562456  
alukoayomide623@gmail.com

## ABOUT

I'm a Nigerian based developer, always looking for a way to enhance human interactions with the web. I believe in consistency and teamwork.

## EXPERIENCE

### Freelance— (React js/ Node/Express js)

June 2022 - Aug 2022

Created a basic crypto app that fetches data from an API

Built dynamic designs with styled components and framer motion

Created a login system with Node/Express

## EXPERIENCE

### Zuri Team— Intern(Python/Django)

June 2022 - Aug 2022

Created CLI based apps with python basics

Created a user authentication system in the backend

Integrated a password reset with an AWS email service

Integrated Django with MongoDB

Worked on an algorithm that split files into chunks

## EDUCATION

### Olabisi Onabanjo University, Ago Iwoye — B.A English

May 2021 - Nil

Currently an undergraduate

## SKILLS

React js/Bootstrap/Tailwind

Python/ Django/ Django Rest
